## COMPANY INFORMATION

ABDB Designs is an award-winning multidisciplinary studio, originally designing & handcrafting contemporary pieces of functional artwork for magical commercial & residential spaces. Each made-to-order piece features our patented design technique of embedding cross-cuts of recycled natural material in hand colored resin. ABDB stands for Au Bout Du Bois in French, or at the end of the grain in English, and is located just outside of the NYC area. The studio is brought to you by Artist Djivan Schapira and business partner Andrew James.
