Everyday Living, Elevated

Gabby makes pieces that spark inspiration, artistry, and self-expression. Gorgeous, showstopping furniture and accent pieces that elevate your space and put you ahead of emerging style trends. Gabby helps you create the dazzling, well-appointed home you've always dreamed of.

Make An Entrance

First impressions are key. Whether you're returning home or entertaining guests, crossing the threshold should feel like a special moment. Create a space that feels inviting, looks stunning, and sets the stage for the rest of your home — with accent pieces and fixtures with just the right amount of wow.

Designers Tip

Incorporating curious objects that vary in scale and texture atop your foyer table or chest is a styling must when setting the tone of your home.

Let's Dine In

Many families spend most of their time together **in the kitchen** — enjoy quality time with elevated furniture and accents. Feast your eyes on beautiful pieces made for gathering, grazing and good times.

Designers Tip

Soften hard spaces in the kitchen with the perfect perch. Barstools are a wonderful way to introduce texture by tying in wood, woven, acrylic, or leather seating.

Style is Served

Traditional dining room furniture can feel stuffy and formal, but **yours can feel bright and energized**. Gabby offers an inspiring end to cookie cutter dining sets, sharing pieces that are anything but basic. From elevated holiday soirées to everyday family dinners, Gabby transforms your dining room so that every meal is memorable.

Designers Tip

Always check the clearance between the underside of a tabletop or apron edge (the small vertical support beam that is recessed under a tabletop) when calculating the height of dining chair arms.

Room to Reimagine

When you make your way into your living room, you should feel the freedom and comfort of truly settling in. The heart of your home deserves extra love — with the style and substance of Gabby pieces. Reimagine the idea of what your living space can be; with seating, lighting, and accents that allow you to unwind to the fullest.
