NEW RELEASES 2017

## AUSTRALIAN BRANDS RETURN THIS FALL TO DEBUT NEW COLLECTION AT HIGHPOINT

Australian Brands Art Hide and Amigos de Hoy debut their new collections this October at Salon in Market Square - Highpoint, Booth M-8055.

Brimming with fresh ideas and whimsical creativity, the stunning new releases are created by sister duo, Bree Hay-Hendry and Kura Perkins who have set up shop in the USA, shipping out of Charlotte NC.

Art Hide has been a major player in the Australian rug market for eight years handling both ready-made and custom designs. Amigos de Hoy is the sisters' more recent creative outlet, where they create an elevated boho vibe across a range of inspired rugs and objet d'art, where the handmade, high quality materials pack a punch for value.

Art Hide's latest signature glamorous and sophisticated rugs, cushions and furniture include a seasonal update on it's best selling Angulo rug with a green and grey palate, the divine Persian- inspired lasered & hand painted Sueno rug and the edgy, graphic but beautiful Faceta with vibrant blues injected through the rug.

Amigos de Hoy has extended its rug range significantly, offering a range of stunning new rag rug and dhurrie styles with a tribal feel and metallic accents. Its wall décor category sees Wes the Lion taking pride of place and the fabulous new oversized Liberty Tassel making a grand entrance.

Textile designer, Bree Hay-Hendry, said, "We've loved working on this new range which is super textural and glam but also a little gritty. We focus on creating family-friendly pieces that bring joy, merriment and some instant 'street cred' into a home, that look you've collected them on exotic overseas jaunts!"

Top Australian stylist, Sarah Ellison, said, "Both the Amigos de Hoy and Art Hide ranges are so beautiful to style. There's really something for everyone and both collections mix and match so beautifully that you don't need to go anywhere else – they have your look covered."

All releases are now in stock and available to order for immediate ship.
