## **INTERIOR DESIGNERS**

We are a creative source for interior designers. With no minimums and the ability to customize our collections, we pride ourselves as being easy to work with. We create everyday and introduce new collections every season, allowing our interior designer customers to feel like they are constantly rediscovering us.

## **SET DECORATORS**

We are proud members of the SDSA and offer clearance on all of our products, which allows us to be a dynamic source for set decorators.

## **BRICK & MORTAR STORES**

We partner with our brick & mortar customers by offering beneficial trade pricing and the option to have exclusive collections created to fit their brand, giving them a creative & competitive advantage in the marketplace.

## **CONTRACT & HOSPITALITY**

We offer a bespoke service that caters for large scale corporate and commercial projects. Allow our team the opportunity to create, source and design for your project.

## **EXCLUSIVE COLLECTIONS**

With an archive of over 160,000 images and a diverse group of artists and designers, challenge us to get creative!
