Meet one of Camerich's latest ingenious creations: Qing High Back Chair. Recalling the beauty of mid-century modern, feast your eyes on the Qing.

H: 42' x W: 28' x D: 29'

Constructed on a solid metal frame, the seats are sumptuously covered with integrally molded polyurethane foam.

In addition, this chair can be upholstered in all fabric, all leather, or a fabric and leather combination.

H: 42' x W: 28' x D: 29'

This Qing Chair comes conveniently available in two base options: Grey Oak finished wooden legs, or a blackened nickered steel 360 degree swivel base.
