#### COMPANY INFORMATION

COHAB brings together individuals from our region and around the globe to create new ideas, healthier lives, a more vibrant community, and a reinvigorated product manufacturing industry for High Point, NC. COHAB is a bridge between our local community and the global design industry. Under our umbrella, designers, exhibitors, thought-leaders, and community members will intermingle in a creative atmosphere fueled by a shared passion for design. With young and emerging designers in mind, our accessibly-priced apartments, design studios, and showroom spaces will enable those who cannot yet directly participate in the High Point Market to find their connection through COHAB which will become an extension of the Market for attendees in search of new wares. Year-round, our local and international members can liaise with the vast network of production capable co-manufacturers in the High Point area. And the traditional area manufacturers will be drawn into COHAB to offer their services to our resident designers.
