

Sustainable and earth friendly, Greenington's Hanna console celebrates the beauty of solid Wheat bamboo. Versatile as a sideboard, credenza, or media with cutouts for cable management.

H: 28" x W: 72" x D: 18"

Greenington's Hanna dining table makes a statement with a beveled rectangular tabletop on two dynamic shaped bases. Sustainable and earth friendly, Hanna is craftsman-built in solid bamboo.

H: 30" x W: 72" x D: 36"

Made in sustainable solid bamboo, Greenington's Hanna dining chair blends sculptural shape and fine craftsmanship into a graceful and airy form.

H: 30" x W: 22" x D: 19"

Greenington's new Santa Cruz home office is crafted in solid sustainable bamboo. Modern lines and upscale style contrast light Wheat bamboo with sleek black steel accents.

H: 30" x W: 48" x D: 24"

Greenington's new Santa Cruz bedroom is crafted in solid sustainable bamboo. Modern lines and upscale style contrast light Wheat bamboo with sleek black steel accents.

H: 36" x W: 92" x D: 70"

Sustainable and earth friendly, Greenington's Rosemary coffee table crafted in solid bamboo; its shapely curves combine style and balance with an oval shaped tabletop on a sweeping asymmetrical base.

H: 16" x W: 47" x D: 34"

Greenington's Spire solid Amber bamboo coat tree splays three beams into a minimal and modern form. Easily fitting into any floor plan, Spire creates space for coats, bags, and umbrellas.

H: 20" x W: 20" x D: 64"

Greenington's Currant home office combines clean modern lines with just the right amount of mid-century. Crafted in solid Amber bamboo with city scaled profile making it ideal for any workspace.

H: 30" x W: 60" x D: 24"

## COMPANY INFORMATION

About Greenington: Greenington is a sustainable furniture company creating beautiful and high-quality furniture using one of the earth's most sustainable resources, bamboo. Focused on quality Greenington cuts no corners, but also stays true to their sustainable mission by following strict international standard guidelines, and having a zero waste manufacturing process. Learn more at [greenington.com](http://greenington.com)

Greenington's president and founder was manufacturing high quality bamboo products for over twenty years before he entered the business of creating his own line of high quality solid bamboo furniture in 2004. Because of his expertise in working with the planet's most eco-friendly, rapidly renewable resource, Greenington's fine bamboo furniture has quickly risen to the top of the industry, known for its enduring beauty, style and quality.

Greenington is expertly crafted in earth friendly solid bamboo, harvested from the managed forests of a fully sustainable, environmentally friendly and rapidly growing renewable resource.

From the beginning, Greenington's mission has been to provide customers with only the finest in bamboo home furnishings. We will continue to strive to ensure that our products represent quality, style and elegance. That's why we trust only nature's most sustainable material to the highest quality craftsmen, and why we will always provide you with first class service.
