COMPANY INFORMATION

Boutique design studio r. LUSK Studios continues its tradition of custom hand-crafted wall decor for residential and commercial interiors. Four distinctive offerings provide beautiful art solutions for beautiful spaces

At the center of the company's innovation is its line of hand-gilded textile art panels featuring the distinctive custom patterns the company is known for. Influenced by centuries old designs, artist/owner Reese Lusk mixes iconic patterns with contemporary influences to create a unique art offering that provides exciting options for residential and commercial interiors. His inspired designs are created in rich custom pigments, individually hand-finished in gold and silver leaf, mounted on linen wrapped boards and framed in 5-sided acrylic vitrines for a museum quality presentation. Wood framing is also available for a more traditional look.

The r. LUSK collection of custom abstract prints includes thirteen original r. LUSK designs available in limited edition. Each print is hand-embellished, numbered and signed by the artist for a truly one-of-a-kind art print.

Our "Works on Paper" feature large nature-inspired patterns that are created with hand-applied silver leaf creating art that is both big and bold. The company's "Color Studies" showcase vibrant brushstroke squares in gold and silver leaf and framed in collections showcasing Lusk's remarkable artistry and keen sense of design. "Geometrics" are our fun and bright patterns to liven up any space.
