Creating a workspace—any place, the compact Soma Lift Desk easily adjusts for comfortable standing or seated use. With the touch of a pneumatic lever, the desktop glides up or down between 29-42"H.

H: 29" x W: 35" x D: 20"

Hidden behind its meticulously handcrafted doors, the Interval 7247 Cabinets by BDI conceal a host of integrated features supporting a full home theater system. Interval 7247 can stage up to a 70" TV.

H: 27" x W: 66" x D: 20"

Interval 7249 boasts unique louvered doors that feature half-lap jointed hardwood which provide a striking design detail, but also a benefit in providing acoustic transparency. It holds a TV up to 80"

H: 27" x W: 78" x D: 20"

BDI's new Interval Console features unique louvered doors with a half-lap jointed hardwood design. The gorgeous tall-leg design is ideal as a storage solution for entryways, dining or living spaces.

H: 32" x W: 61" x D: 16"

With a clean look and strong architectural lines, Stiletto adds dramatic contrast to any wall. Alone or grouped as a system, this shelf can be configured in multiple ways, while keeping a slim profile

H: 82" x W: 0" x D: 14"

COMPANY INFORMATION

BDI is a leading home furnishings manufacturer, specializing in innovative media furniture and office solutions that are designed to seamlessly integrate technology into the home. Our collection also includes contemporary shelving systems, occasional tables and more.

BDI's designs can be found in fine home furnishings and electronics retailers throughout the US, Canada and internationally, bringing contemporary home furnishings to all those who appreciate great design.

As a design driven company, our primary goal is to develop beautiful—and functional—furniture that not only stands the test of time, but transcends trends.

BDI is based in Chantilly, VA, and ships to retailers nationwide. Export opportunities are also available.
