COMPANY INFORMATION

Fine Art Handcrafted Lighting is world-renowned for original, elegant lighting designs favored by discerning designers, architects, consumers, and luxury home builders.

Founded in 1940, the company has established a long tradition of fine quality hand craftsmanship and artistry. Today, Fine Art Handcrafted Lighting serves an international clientele with galleries in over seventy countries around the world.

In all, Fine Art Handcrafted Lighting represents the singular vision of skilled designers, craftspeople, artists, and associates working together to create unique works of art – an intricate blend of Old World tradition melded with New World innovation providing designer lighting fixtures worthy of our customer's confidence.

Exquisite finishes are the company's hallmark, and many finishes take countless steps to achieve the desired effect. Each finish is handcrafted making it a one-of-a-kind work of art.

Through Fine Art Handcrafted Lighting's Customization Program, many fixtures can be tailored to create your own custom work of art. The program allows you to make modifications to our existing design or we can execute your original design concept, providing added range and flexibility for all our valued Fine Art Handcrafted Lighting customers.

Fine Art Handcrafted Lighting's vast array of original and customized fine lighting designs makes any environment come to life.
