New Heron Collection Soars with Grace

JANUS et Cie introduces Heron, a refined yet casual, sustainably sourced dining and lounge collection.

Comprised of six pieces: an armchair, lounge chair, two-seat sofa, three-seat sofa, barstool, and counter stool, the Heron collection is crafted of stunning, finely sanded, naturally finished, FSC-certified, premium teak frames. Gracefully tapered, squared legs are set at an alluring angle beneath Heron's curved, integrated back and arms that comfortably support with intricately handwoven, polypropylene ropes.

The vertical, linear weave of Heron's backrests create louvre-like surfaces that ventilate while creating intriguing shadows and pattern play on sunny days. Heron's high-contrast material mix on a clean-lined, minimalist silhouette bestows varied textural interest that enables it to be dressed up or down for casual or elegant gatherings. The Heron collection is available in two, versatile, neutral colorways: Sand, a warm taupe, and Walnut, a deep brown-black.

The exceptional durability of Heron's construction, married with the inherent decay- and rot-resistant qualities of teak, makes the Heron collection ideal for exterior settings in residential, hospitality, and contract environments.

Heron collection includes:

- Armchair
- Lounge Chair
- Sofa 2 Seat
- Sofa 3 Seat
- Barstool with Arms
- Counter Stool with Arms

Heron collection finishes:

- Sand/Natural Teak
