New Louise Dining Collection Clears the Table for You

JANUS et Cie introduces Louise, a new collection of dining tables with cleverly designed accessories that help to de-clutter the tables' surfaces.

The Louise collection is comprised of five tables in rectangular, round, and square options, and in a range of sizes that may seat from four to twelve. Each is designed with angled legs that rise to form a geometric frame upon which accessory trays may be placed for additional, usable space under the tabletops.

Louise features a simple, minimal and functional design, complementary to design aesthetics from transitional to contemporary. Clean lines and smooth surfaces are composed in powder coated aluminum. Available in neutral Bronze, Graphite, and Talc finishes, Louise tables and trays coordinate with numerous styles and sizes of dining chairs.

The Louise dining trays are available in two sizes—Large and Small—and are scaled to fit the dimensions of the dining tables Round 120, Square 100, and Rectangle 240 and 320.

The Louise collection offers durability, versatility, and a utilitarian value-add for a wide variety of contract, hospitality, and residential settings.

Louise collection includes:

- Dining Table Round 76
- Dining Table Round 120
- Dining Table Square 100
- Dining Table Rectangle 240
- Dining Table Rectangle 320
