FOR IMMEDIATE RELEASE

BDI Debuts Innovative Upholstered Storage Bench

LINQ Bench Adds Versatile Storage Solutions For Bedrooms and Beyond

CHANTILLY, VA – October 26, 2024 – BDI, a leader in mid-century modern furniture, expands its acclaimed LINQ bedroom collection with the new LINQ Storage Bench. Designed by Matthew Weatherly, this piece continues LINQ's tradition of thoughtful design and exceptional craftsmanship, offering both style and practicality for modern homes.

Available in Natural Walnut or the new Toasted Oak finish, the LINQ Storage Bench features an upholstered top, offered in premium leather or soft fabric. Beneath the seat, two sliding doors reveal a spacious storage compartment, perfect for keeping essentials neatly organized and out of sight. Supported by a sleek black metal base, the bench combines style with a stable foundation.

Measuring 19.5"H x 60"W x 18"D, the LINQ Storage Bench is designed to complement the LINQ bedroom collection, yet its timeless design allows it to fit seamlessly in any bedroom décor. Beyond the bedroom, it serves as a stylish and functional addition to entryways or mudrooms, offering a convenient spot to sit and remove shoes.

"With the LINQ bedroom collection being so well received, we wanted to expand it with pieces that complete a full bedroom suite," said Weatherly. "The LINQ Storage Bench is designed with versatility in mind, making it a perfect fit for various spaces throughout the home."

The LINQ Storage Bench will debut at the Fall High Point Market in the BDI Showroom, IHFC D724. For more information on BDI's latest introductions and to access high-resolution images, please visit [bdiusa.com](https://www.bdiusa.com).
