

GREENINGTON
20TH ANNIVERSARY

FOR IMMEDIATE RELEASE

Greenington Returns to Shanghai for Furniture China 2024 Expo

Tukwila, WA – August 23, 2024

Greenington LLC, a leading manufacturer of sustainable bamboo furniture, is thrilled to announce its return to Shanghai for the 29th Furniture China Expo located at the Shanghai New International Expo Centre (SNIEC) September 10-13, 2024. This marks a significant milestone for the company as it continues to expand its global footprint and highlights its innovative, eco-friendly designs.

Highlighting Sustainable Innovation

Greenington is renowned for its commitment to sustainability and craftsmanship. At this year's Expo, the company will unveil its latest collections, featuring cutting-edge designs that blend modern aesthetics with timeless beauty, utilizing 100% Moso Bamboo. Visitors can expect to see a range of new products, from elegant dining sets, versatile bedroom furniture, and other categories all crafted with the highest standards of quality and environmental responsibility.

A Commitment to the Environment

"Returning to the Shanghai Expo is an exciting opportunity for us to connect with our international dealers," said Yang Lin, President, and Founder of Greenington LLC. "Our mission has always been to create beautiful, sustainable furniture that enhances people's lives while protecting our planet. We are proud to showcase our latest designs and demonstrate our ongoing commitment to environmental stewardship." Yang went on to say, "The company looks forward to forging new partnerships and exploring opportunities for collaboration in the global market."

Engaging with the Global Community

The 29th Furniture China Expo is one of the largest and most influential events in the furniture industry, attracting exhibitors and visitors from around the world. Greenington's participation underscores its dedication to engaging with the global community and promoting sustainable living. Attendees are invited to visit Greenington's space #E1C01 to experience the beauty and functionality of bamboo furniture firsthand.

About Greenington LLC

Greenington is a sustainable manufacturing company focused on creating beautiful, high-quality products using one of the earth's most sustainable resources, bamboo. Fixed on quality, Greenington cuts no corners, while staying true to their 20-year sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
