

FOR IMMEDIATE RELEASE

**Greenington Announces Relocation of High Point Showroom to 220 Elm, Space #410**

*Tukwila, WA – September 23, 2024*

Greenington LLC, a leading manufacturer of sustainable bamboo furniture, is excited to announce the relocation of its High Point showroom to a new, expansive space at 220 Elm, Space #410. The new showroom, boasting 11,000 square feet, will provide an enhanced experience for showcasing Greenington's innovative and eco-friendly furniture collections.

Yang Lin, President of Greenington LLC, expressed his enthusiasm about the move: "We are thrilled to expand our presence in High Point with this new showroom. The additional space will allow us to better display our wide range of products and provide a more immersive experience for our customers. This move reflects our commitment to growth and our dedication to offering high-quality, sustainable furniture."

The new showroom will feature Greenington's latest collections, including their signature bamboo furniture pieces known for their durability, beauty, and environmental benefits. Visitors can expect to see a variety of innovative new designs that blend modern aesthetics with sustainable practices.

The grand opening of the new showroom at 220 Elm, Space #410, is scheduled for October 26<sup>th</sup>, 2024, in conjunction with High Point Fall Market. Greenington LLC invites all industry professionals, partners, and customers to join them in celebrating this exciting milestone.

About Greenington LLC

Greenington is a sustainable manufacturing company focused on creating beautiful, high-quality products using one of the earth's most sustainable resources, bamboo. Fixed on quality, Greenington cuts no corners, while staying true to their 20-year sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
