## **Hudson Valley Lighting Group Unveils Illuminating Innovations at High Point Market**

**Wappingers Falls, New York, October 25, 2024** — Hudson Valley Lighting Group, the industry-leaders with the most comprehensive selection of lighting, will release over 100 new lighting fixtures at High Point Market, showcasing Hudson Valley Lighting and Corbett Lighting's blend of traditional craftsmanship and modern innovation, alongside Creative Systems Lighting's cutting-edge designs.

Corbett Lighting's new releases seamlessly merge futuristic allure with timeless elegance, blending the Dreamscape and Reinvention trends. Dreamscape dazzles with layered textures and captivating forms, while Reinvention reinterprets tradition through modern craftsmanship. Together, they create a cohesive vision of innovation and artistry, offering striking, art-inspired lighting that elevates any space. "Honoring tradition while embracing the future, each fixture tells a story of sophistication and artistry, reinterpreted for today's discerning taste," shares Sarah Speck, Director of Product Strategy and Partnerships.

Hudson Valley Lighting's new releases unite the serene tranquility of Soul Space with the timeless charm of New Nostalgia. Soul Space offers calming luxury with natural materials and warm, textured finishes, while New Nostalgia modernizes classic design elements for a forward-thinking appeal. Together, these collections blend tranquility with tradition, enriching interiors with both soul and sophistication. Hudson Valley Lighting will also release its first-ever collection of rechargeable lamps, offering convenience and flexibility. "Whether placed on a mantel, used as a centerpiece, or carried to an optimal setting, these versatile fixtures adapt to your lifestyle bringing light wherever it's needed most," shares Sarah Speck.

This October, Creative Systems Lighting (CSL), the newest addition to the HVLG family, will introduce The Luxe Collection - a sophisticated range of high-performance decorative lighting. that seamlessly integrates CSL's cutting-edge technology with Hudson Valley Lighting's heritage design. The Luxe Collection is designed to meet the needs of modern interior designers who seek a harmonious balance between form and function. Each fixture in the collection seamlessly integrates CSL's cutting-edge technology and state-of-the-art performance with Hudson Valley Lighting's rich design heritage, ensuring exceptional light output in a sleek, minimalist aesthetic.

- **Luxe Cylinder:** Available in 2" and 3" pendant or flush mount options, the Luxe Cylinder offers a sleek downlight in elegant finishes like Patina Brass, Distressed Bronze, Black,

and White. Optional decorative bezels in matching or contrasting metal, glass, or stone finishes further enhance its versatility. With the ability to mix and match finishes, designers can create tailored lighting solutions that suit a wide range of design aesthetics.

- **Luxe Pivot:** With a sleek, low-profile design, this cylinder-style flush mount features a 60-degree tilt and 360-degree rotation. Equipped with CSL's Whisper Flex optics, the Pivot Flush Mount is available in Patina Brass, Distressed Bronze, Black, and White finishes, combining advanced functionality with understated style.
- **Simeon:** Integrated with CSL's 'Whisper' technology, Simeon offers peak functionality in a streamlined sconce format. While understated, a level of style is achieved with the extruded ribbing on the Aged Brass articulating shade. Within this elongated silhouette, an LED light source and acrylic diffuser work together to create a powerful, glare-free spotlight that can be directed as needed. Highly versatile, Simeon can be mounted on either a wall or ceiling.
- **Truett:** With a circular backplate, mechanical hinge, and stylish knurling details, Truett stands out as a polished lighting essential. It features CSL's 2" diameter cylinder technology, making it perfect for spaces needing directional wall-mounted lighting. Available in Aged Brass or Distressed Bronze finishes, this discreet yet powerful lighting solution is designed to meet the needs of modern interiors.
- **Circleville:** Incorporating CSL's innovative 'Whisper' technology, Circleville cuts a sleek figure in Aged Brass. While it might read as industrial, the elongated tube forms lean towards modernist aesthetics. The articulating shade allows precise control to create a powerful spotlight where needed. Available as a sconce and floor lamp.

"With a focus on simplifying the specification process, this new assortment is an ideal choice for designers aiming to create environments that are both technologically advanced and aesthetically refined," shared David Littman, CEO of Hudson Valley Lighting Group. "Supported by comprehensive educational resources, we aim to make the lighting purchasing process more inspiring, exciting and inviting, for interior designers."

These new collections will be on display at High Point Market from October 25 - 30 in Hudson Valley Lighting Group's showroom inside the historic Market Square Building.
