Linon Home Decor Licenses Modular Seating Solutions and Launches KYVOS at High Point Market

HIGH POINT, NC — Linon Home Decor Products Inc., a leading supplier of stylish and value-driven furniture, is proud to announce the exclusive North American licensing of **eight U.S. patents** from Modular Seating Solutions Inc. These patents cover proprietary innovations in toolless upholstered furniture construction and quick assembly systems—technologies that form the foundation of Linon’s newest brand, **KYVOS**.

Designed for both indoor and outdoor living, **KYVOS** offers a reimagined approach to modular seating. With intuitive, toolless assembly and effortless reconfiguration, KYVOS is built for how people live today—quick to set up, easy to rearrange, and simple to store. Whether furnishing a cozy living room or an outdoor gathering space, KYVOS delivers unmatched adaptability and style.

With this launch, Linon Home Decor expands its growing portfolio of brands—which already includes **Linon Home Decor**, **Powell Home Fashions**, and **Coast to Coast Imports**—continuing its commitment to bringing innovative, retail-ready solutions to market.

The complete KYVOS collection—representing the full Modular Seating Solutions offering—will be showcased at **High Point Market** in Linon Home Decor’s showroom located at **200 S Main Street, High Point, NC 27260**, open April 24th through April 30th.
