

Euro Furniture Center at High Point Market 2026

Ukrainian Furniture Continues Its Expansion into the World's Largest Market

Who We Are

Euro Furniture Center — a platform created in partnership with the Public Union **Ukrainian Interior Design and Furniture Cluster “EF CLUSTER”** — unites Ukrainian and European furniture manufacturers for a joint presence at High Point Market. We represent brands in the mid- to high-end segments, RTA solutions for mass retail, as well as designer and art furniture. For American partners, we operate a permanent **online B2B and B2C platform**, where collections can be explored, products ordered, and collaborations established.

Ukrainian National Pavilion

In 2026, **EF Cluster** together with **Euro Furniture Center** and export company **TRADEX** will present the **Ukrainian National Pavilion**. This strategic initiative demonstrates the unity of Ukrainian manufacturers and their readiness for large-scale entry into the U.S. market.

Why It Matters

- **Government Support:** In 2026, the Ukrainian government launched a financing program for furniture factories, ensuring export stability.
- **Diversity:** From art objects and designer furniture to serial RTA solutions.
- **Reliability:** Manufacturers are located in central and western Ukraine, with stable production bases and international export experience.
- **Innovation:** Modern equipment, energy-saving systems, and upgraded processes that ensure consistent performance even under challenging conditions.

Exhibitors at High Point Market 2026

Kochut Interiors founded by three brothers, Kochut began as a jewelry atelier and today is an internationally recognized brand in both jewelry and furniture. Their solid-wood and cast-metal tables, consoles, and cabinets are sculptural art pieces that transform interiors. Known for museum-quality craftsmanship and numerous design awards, Kochut blends jewelry mastery with furniture artistry.

D.I.D. WOOD A boutique brand producing gallery-level furniture. Each piece is handcrafted, with complex forms, sculptural profiles, and exclusive design. These are not just functional items but collectible art objects that bring uniqueness and longevity into the home.

Mebli-Lev A factory in the Lviv region with over 20 years of experience. Specializes in solid-wood and upholstered beds, dressers, and nightstands. Uses eco-friendly beech wood,

safe finishes, and reliable hardware. Awarded “Bed Manufacturer of the Year 2022.” The company is ready to adapt models to U.S. buyers’ requirements, offering modern and durable bedroom solutions.

TOKABO Furniture With a history of more than 50 years, TOKABO grew out of the Chernivtsi Furniture Factory. Today it operates modern CNC-based production with export readiness. Collections include dining tables, sideboards, and bedroom furniture in oak and beech. TOKABO is prepared to adapt models for the U.S. market, offering flexible B2B solutions.

Woodlandea Scandinavian-inspired solid-wood furniture in oak and walnut, with exclusive forms and models. Dining sets and storage systems exemplify modern woodcraft valued across Europe. Woodlandea is ready to tailor designs for U.S. buyers, providing customized solutions.

K3 Craft Small-batch production with a strong design focus. Known for handcrafted wooden laptop stands that combine functionality with artistry. With over 20 years of experience in furniture and staircase production, K3 Craft has completed hundreds of projects. Their work blends wood, metal, and glass to balance aesthetics and practicality.

EMM Ukraine A leader in mattresses and sleep systems. By the end of 2026, the company will commission a new PU foam production line and pursue California certification, ensuring compliance with the highest U.S. standards. Their assortment includes orthopedic mattresses, beds with lifting mechanisms, and storage systems. **EMM can manufacture mattresses in any size**, providing a complete bedroom package for American retailers.

M Line A flexible upholstered furniture manufacturer. Modular sofas, transformable seating, and custom solutions for retail and hospitality. Combining skilled craftsmanship with modern technologies, M Line works with durable fabrics and engineered frames. A trusted partner for private labels and large-scale projects.

ACCORD Furniture One of Europe’s Top 20 furniture producers. Over 2.5 million RTA packages annually, exporting to 30+ countries. Facilities cover 40,000 m², with 600+ employees, 120+ automated machines, and a logistics fleet of 140 trucks. The company continues to expand capacity, build new plants, and automate processes — a large-scale manufacturer ensuring reliable and timely deliveries.
