Eastern Accents is bringing new designs to High Point Market for Fall 2026. The leading home textiles brand, which has its manufacturing base in Chicago, will be unveiling 11 new collections of luxury bedding and soft home decor.

Inside the ground floor entrance to Suites at Market Square, market attendees will be greeted with a **western-inspired showroom installation** featuring light and bright Levi, a collection of bedding redefining the **ranch aesthetic** with **modern** touches. To compliment this collection, Eastern Accents will be giving out **themed T-shirts** and **buttons** throughout the week. Keep an eye out for the **photo booth**—snap a picture and capture the market memories!

New **decorative bedding** on display includes two more **cozy, neutral** collections. **Boho chic** Daleyza celebrates eclectic creativity, while **mountain chalet** Sperrin blends modern design and rural charm. **Renowned designer Barclay Butera** has crafted an elevated **tropical** ensemble for Eastern Accents: sun-drenched St. Lucia. Island inspiration continues with Boca Raton's **vibrant and exotic florals**.

de' Medici Fine Linens will be introducing a new collection of high-quality bedding and sheeting. Farrah's **reversible duvet cover** features a dappled, spa-toned print in **crisp cotton percale**. Explore more **playful patterns** with Rooney by Niche, in soothing pastel hues and inviting bouclé textures.

More elegant stylings include **metallic luxe** Laetitia and **classically-inspired** Highclere, full of English charm and botanical embroidery. Discover **handsome tailoring** with two new **menswear** collections. Argento strikes a balance between industrial aesthetics and refined glamour, while Alistair presents **polished sophistication** with quiet refinement.

Studio 773, Eastern Accents' dedicated decorative pillow division, is delighted to introduce a line of charming **outdoor accents** inspired by **Italy's Amalfi Coast**. Featuring **hand-painted tomatoes and citrus**, printed **shells and fish**, each pillow is crafted using **weatherproof fabrics** and mold-resistant inserts to be enjoyed in rain or shine. Additionally, Eastern Accents

will be previewing **custom roman shades**—combining the safety of **cordless technology** with cutting-edge **designer window styles**.
