05 / MEDIA ANNOUNCEMENT

Southern Sewing at Fall High Point Market 2026

MONTEVALLO, ALABAMA / OCTOBER 2026

Southern Sewing, an Alabama-based custom soft goods manufacturer, will present its manufacturing capabilities at Fall High Point Market, October 17-21, 2026, at Booth M-4024.

Working with designers, furniture brands, retailers and commercial buyers, Southern Sewing produces custom cushions, replacement cushions, decorative pillows, drapery, umbrella canopies and other sewn goods made to project specifications.

Its manufacturing process brings together material preparation, precision cutting, industrial sewing, filling and quality control. The company supports both custom projects and trade-focused production partnerships.

Visitors can connect with Southern Sewing at Booth M-4024 to discuss product development, specifications, private-label programs and custom manufacturing needs.
