- DÔME DECO U.S. LAUNCH OF EVOLVE COLLECTION AT OCTOBER HIGH POINT MARKET

## Evolve Collection 2021

*URBAN VIBE MEETS NATURAL TOUCH.*

The U.S. launch of EVOLVE COLLECTION 2021 will take place at the October High Point Market in the InterHall of the IHFC building (IH302). The collection was introduced in Europe last week at Maison & Objet in Paris. Which is where new collections are always premiered for the Belgian brand.

The new collection concept is *Where Urban Vibe Meets Natural Touch. To develop by this process of evolution. Grow and unfold. Evolve.*

*Where colors are connected with nature, organic shapes & sophisticated materials.*

Throughout the years the team has passionately studied all details of the design and production for interior products. This experience allows the brand to deliver a complete concept with a strong identity.

Dôme Deco's aim is to inspire people throughout their personal journey of life. Creating memorable experiences through interior concepts worldwide.

Long before the launch of a collection, the team of creatives start their thought process by creating a concept being the fundament of the season. These influences are translated into products, later to be combined in various settings.

Each year Dome Deco launches two main collections. Starting from a certain concept, the team begins their process of brainstorming. Discussing every aspect from shapes and design to fabric and materials. The focus of our product developers and designers being innovation, uniqueness and premium quality. Creating refined luxury while always expanding our horizons. All to achieve an impeccable new collection, true to Dôme Deco's aesthetic and personality.

"As a producer and designer of full interior collections and concepts, the complete image we present is our main priority. Before our products are set up in our Belgian showroom, we rebuild it to match the collection's concept. Everything from walls to flooring, all to give the perfect perception of our new collection and the passion and creativity that went into it. All our new products and settings coming into their own perfectly, ready to be discovered. We do the same at Maison & Objet and at the High Point

Market. We are beyond excited word for the big reveal of the new collection to the U.S. Market next month", says North American Sales Manager Scott McKearn.
