This spring, Art & Frame Source showcases the latest additions to their collection with 300+ new proprietary images. These new pieces range from abstract to contemporary, transitional to traditional. Step into the showroom and experience the beauty and vastness of our line.

At Art & Frame Source, our goal is provide our customers with original art looks at competitive prices with customization options that are unprecedented in our field. We are a leading manufacturer of distinctive wall decor and are proud to serve the retail, interior design, hospitality, and healthcare industries.

With uncertainty in lead times, Art & Frame Source is still able to provide our customers with 100% American made products from our St. Petersburg, Florida factory in 4-5 weeks. Our products are available from luxury retailers and designers nationwide. To view our entire collection, please visit our website at www.artandframesourceinc.com.

New highlights include:

26692 Limardo

The perfect choice for your living room or bedroom, Limardo celebrates feminine beauty. The neutral hues pair perfectly with an assortment of styles and the delicate lines add a soft and contemplative touch to your space.

26766 Fantine

A step away from the cool color palettes of the past few seasons, Fantine strives to brighten your interior with bold, bright colors. An excellent statement piece for a neutral space or go big by incorporating it into a maximalist design.
