Rainbow Outdoor Furniture Launches first collections in North America.

July, 1 2022 - Miami, FL – Pelican Reef Inc, DBA Rainbow Outdoor Furniture North America, a commercial grade Turkish outdoor furniture brand, has launched for the first time in the US following Europe and Asia. Rainbow Outdoor is considered one of the world's highest quality manufacturers of poly-resin commercial-grade outdoor furniture and has received worldwide accolades revitalizing the outdoor furniture market incorporating innovative design, lasting quality and value.

The resin and aluminum products have been designed and inspired by modern and lineal elements, applying only the finest gas injection machinery with 100% Polypropylene materials to produce lightweight, resistant, and contract functional styles. All items are CATAS-tested, and TSE-Tested with detailed reports and product spec sheets. The Rainbow products will survive the harshest all-weather conditions, are safe for the environment, and can be 100% recyclable.

Rainbow Outdoor recently exhibited at the HDExpo and will be on display at the final Casual Market in Chicago this July 19-22. Visit us in our showroom at 7-4053 and ask for Perry Catanase our National Sales Manager. A variety of colors, styles, and unique patio chair designs, will be shown many inspired for residential and commercial use outside and inside use perfect for everyday life and use.

Rainbow Outdoor has inventory for quick shipment in our Florida distribution center, and has a strong special-order program with delivery in 45-60 days from time of order placement.
