## **HURTADO to Introduce New EVOLUTION Collections for 2024 Spring Market**

*Makers of Fine Furniture Since 1940*

HIGH POINT, NC (Feb. 24, 2024) – Spain’s leading furniture brand is set to debut its latest furniture designs this April, at the spring 2024 High Point Furniture Market. The introductions include modern pieces from the stunning LEGACY and LINK collections, expanding the EVOLUTION line and showing HURTADO’s artisanal excellence through handcrafted furniture.

### ***LEGACY Collection***

LEGACY is a sophisticated contemporary collection highlighting Hurtado’s commitment to creating high quality, upscale furniture. LEGACY is a collection that breathes and transmits a passion for elegance. LEGACY design is characterized by curved edges, beveled features, and contoured metal legs, adding unique personality to each piece. Newly added Calacatta Gold and Sahara Noir porcelains are incorporated into the tops of select models.

### ***Credenza***

LEGACY credenza embodies the signature curved shape of the collection through its beveled marble top, curved structure, and elongated metal handles. The legs bestow a strong and elegant personality to the piece. The sideboards incorporate a hidden drawer with a cutlery tray to add functionality to any space. With the wide variety of finish selections, each piece possesses a unique potential for personalization and exclusive design. The LEGACY credenza exhibits a perfect harmony between visual elegance and storage capacity, all in a single piece.

## *Dining Table*

The LEGACY round dining table is presented with an irregular distribution in the legs, giving a unique touch to the timeless design with its curved lines. The table is offered in different dimensions to accommodate any dining area.

## *LINK Collection*

LINK arises as the connection between Hurtado's contemporary collections and a more refined vision of the company's distinguished style, linking tradition with modernity. Newly added Calacatta Oro and Sahara Noir porcelains are available for select models within the LINK collection.

## *Credenza*

LINK is the embodiment of practical elegance. The new hardware of this collection combines a clean aesthetic with functionality, enhanced through its glass doors and a touch-latch system. LINK furniture features LED lighting with a remote-control dimmer, for added luxury.

## *Dining Table*

The LINK rectangular dining table exemplifies a fusion of strength and style. Carrying out the signature style of the collection, LINK places emphasis on straight and precise lines to create a statement.

## *TV Furniture*

LINK TV furniture contains downward opening doors with high-resistance technical threads, ensuring durability. This collection introduces Hurtado's new Cappuccino and Gray Walnut finishes and includes the option of two-toned finishes for select pieces in the EVOLUTION line. Optional LED lighting is offered to illuminate the rear edge, enhancing the sophisticated design of the piece.

## ***ABOUT HURTADO:***

The HURTADO brand, celebrating its 84th anniversary in 2024, headquartered in Valencia, Spain, is reputed for using traditional hand-crafting techniques in the manufacturing process. HURTADO is now a third-generation company that has grown into an internationally renowned furniture producer of high-end furniture by preserving the hallmarks and traditions of the HURTADO brand. Each design is classical but modern in conception yet deeply rooted in its artisan tradition. One encounters a range of cultural influences in each Hurtado collection as seen in the Evolution and Traditional collections. From contemporary to traditional design, HURTADO serves hospitality, contract, and residential markets. To meet the personal needs and specifications of customers, HURTADO offers access to unique custom capabilities, including a selection of over 50 wood finishes, offered in three sheens: matte, satin, and high sheen. For the American market, headquarters and distribution center are in High Point, North Carolina. For the rest of the international markets, HURTADO ships from the factory in Spain.
